- Speed reduced to 256Kbps download and upload when monthly data allowance reached.

Service Availability and Requirements

The service is available to business customers with an Australian Business Number (ABN) and is only available in NBN enabled areas.

Important Limitations

The broadband speed advertised is an 'Up-To' speed and the throughput you obtain with this service will vary depending on many factors. 50Mbps/20Mbps & 100Mbps/40Mbps speeds are not available on NBN Fixed Wireless. This offer not available on Satellite NBN services. See NBN Speed Expectations below.

Battery Backup / Power Outages

This plan excludes an NBN Battery Backup unit and means your voice and data services will be temporarily unavailable for the duration of the power outage.

Contract Terms

innoTel offers a contract length of **24-Months** on this plan.

Other key information about this plan

- No Peak or Off Peak metering
- Uploads and Downloads counted
