

NBN BROADBAND 200GB

INFORMATION ABOUT THE SERVICE

Service Description

The innoTel NBN Broadband 200GB plan is a High Speed Broadband service provided over the National Broadband Network (NBN). Pricing is Inclusive of GST.

Monthly Data Allowance

200GB; where 1GB (gigabytes) = 1,000MB (megabytes). Any unused Monthly data allowance expires at the end of each billing period. Both data downloaded and uploaded is counted towards your Monthly Data Allowance.

Service Availability and Requirements

The service is available to business customers with an Australian Business Number (ABN) and is only available in NBN enabled areas. You can choose to provide your own NBN Broadband Router, or alternatively you can purchase one Broadband Router from innoTel.

Important Limitations

The broadband speed advertised is an 'Up-To' speed and the throughput you obtain with this service will vary depending on many factors. 50Mbps/20Mbps and 100Mbps/40Mbps speeds are not available on NBN Fixed Wireless and Satellite connections.

Battery Backup / Power Outages

This plan excludes an NBN Battery Backup unit and means your voice and data services will be temporarily unavailable for the duration of the power outage.

Bundling

There is no bundling arrangement required for this plan, however you may bundle it together with other innoTel plans.

Contract Terms

24-Months, 12-Months or 1-Month.

Other key information about this plan

- 1 Static IP Address (IPv4) included
- No Peak or Off Peak metering
- Uploads and Downloads counted

What is not included in this plan

This plan does not include a Phone Plan or Broadband Router, unless you purchase these in addition.

NBN BROADBAND 200GB

Excess Data Charges

No excess usage charges apply. Your internet speed will reduce to 256kbps for the remainder of the billing month once you have reached your monthly allowance. Data packs can be purchased which will restore your internet speed until the data pack has been used.

New Development Fee

If you are in a new development area, NBNCo may charge \$300 to connect your premises. If applicable, we will bill that charge to you.

Plan Changes

You can change your plan during your minimum contract term. There are no costs to upgrade your plan. Downgrading your plan will incur a \$30.00 inc GST fee.

Relocation Charge

If you relocate your NBN service, a fee of \$129.00 is applicable per relocation. If you move outside of NBN coverage, we will offer to provide you with another broadband service. If you elect not to take this offer, Early Termination Charges may apply.

Is this Plan right for you?

If you need help working out how much data your business needs, you can refer to our "Estimating your data usage for your business" document.

Early Termination Charge

Early termination charges apply based on: Months Remaining x Minimum Monthly Charge. Early termination charges will not be higher than the total minimum cost outlined in page 1.

Other Charges

If our suppliers increase its prices in the future, this may result in the cost of your service increasing. As per our Standard Form of Agreement, we will give you 30-days' notice before the increase takes place.
